PROJECTS

- Basic Paytm** | *React.js, Tailwind CSS, Node.js, Express.js, MongoDB* January 2024
- Created an authorization-enabled Paytm project. Upon user registration, assigned a random amount between 1000 to 10000.
 - Implemented a user-friendly dashboard with advanced features, allowing users to efficiently search, select, and initiate fund transfers to other users.
 - Integrated key libraries including Zod, Axios, Bcrypt, Mongoose, and JWT for enhanced functionality. Developed efficient routing to streamline navigation within the application.
- Portfolio site** | *Next.js, Tailwind CSS, Framer Motion* January 2024
- Created an impressive personal portfolio website using Next.js, Tailwind CSS, and Framer Motion. Implemented advanced section tracking to enhance user engagement.
 - Integrated Resend for seamless email functionality. Ensured the website achieves 100 percent responsiveness.
 - Engineered an aesthetically pleasing interface with dynamic light/dark mode toggling, showcasing a dedicated commitment to user-centric design principles and accessibility.
- HooBank - Modern Business Landing Page** | *React.js, Tailwind CSS* December 2023
- Developed a fully responsive website with modern UI/UX.
 - Implemented high-quality images, gradients, and reusable buttons. Also, incorporated testimonials section for enhanced user engagement.
 - Implemented breakpoints for responsiveness, incorporated subtle animations, and enhanced various sections, including Header and Footer.
- Travel Website** | *React, Javascript* October 2023
- Designed a landing page for a travel site with a background video, incorporating various components.
 - Employed Tailwind CSS extensively and implemented a sidebar along with a basic form, utilizing appropriate properties for dynamic content rendering.

EXPERIENCE

- Trainee** Nov. 2022
Internshala Remote
- Created and implemented various personal projects using Javascript, demonstrating proficiency in front-end development.
 - Gained fundamental understanding of DBMS and SQL through independent study.
 - Managed an E-commerce website, utilizing Bootstrap for responsive design and Javascript for enhanced functionality.
